Subject: Questionnaire

Hi xxx

Thanks for your email and the Questionnaire. I am running as an independent, and giving my preferences (the group preferences above the line) to the Labor endorsed candidates. I am a Labor Party member and not about to resign, but I have not yet an answer on my request for their approval to run as an independent. In addition I am fully self-funded and will not accept a cent in-kind or in-cash donation from anyone.

However, as I am running as an independent I decline to give simple Yes or No answers to your questions, but I would be happy to meet up with you for a discussion over a cup of Coffee.

Regards

John Nell
